With Country, you're not just buying a stove...you're buying a company with over two decades of unequalled performance and quality.

Country Stoves Gas Appliance Limited Lifetime Warranty

Country Stoves are designed and manufactured with durability and reliability built into each and every stove. Country Stoves, Inc ("Country Stoves") makes the following warranty (the "Warranty") to the original purchaser of a Country Stoves gas appliance:

1. STEEL COMPONENTS, STOVE BODY, HEAT EXCHANGER, CERAMIC LOGS, BURNER (just the burner, not the complete cassette assembly), GOLD/NICKEL PLATING, HINGES, AND LATCHES - Parts and labor for the first 5 years and parts thereafter as long as you own the appliance (but a maximum of 5 years after Country Stoves discontinues the item). Note - the Warranty does not cover tarnish, discoloration or wear on the gold/nickel plating.
2. THERMAL BREAKAGE OF GLASS - Parts and labor for the first 5 years and parts thereafter as long as you own the appliance (but a maximum of 5 years after Country Stoves discontinues the item).
3. ALL ELECTRICAL COMPONENTS including BLOWERS, GASKET MATERIALS, PILOT ASSEMBLY, GAS VALVE, PAINT AND TRIM - Parts and pre-authorized labor for the first year.

HOW THE WARRANTY WORKS

1. Country Stoves has the choice of either repairing or replacing the defective parts or components. (Country Stoves also has the choice of buying back the appliance at a cost dealer was invoiced.)
2. If you discover a problem that you think may be covered by the Warranty, you MUST REPORT it to your Country Stoves dealer WITHIN 30 DAYS, giving them proof of purchase and the date of purchase. The dealer will investigate the problem and work with Country Stoves to determine (a) whether the problem is covered by the Warranty, and (b) whether the problem can be fixed in your home or does the product need to be returned to Country Stoves for repair.
3. If Country Stove determines that the appliance needs to be returned to Country Stoves for repair, the customer has the both the responsibility and the expense of removing the gas appliance from the home and shipping it to Country Stoves. If the problem is covered under Warranty, Country Stoves will repair or replace the gas appliance at its option, and it is the customer's responsibility and expense to get the appliance shipped back and reinstalled in the customer's home.
4. If the problem is not covered by the Warranty, the customer will be responsible for all repair costs, as well as all storage and shipping costs and the cost of removing and reinstalling the stove.
5. As described above, Country Stoves is responsible for stocking parts for a maximum of 5 years after discontinuing the manufacturer or incorporation of the item into its products.
6. If you aren't satisfied with the service provided by the Country Stoves dealer, write to Country Stoves at the address listed below. Include the date you bought the appliance and a description of the problem.

Limitations

1. Only problems caused by defects in materials or workmanship are covered. The Warranty does not cover any problem caused by (a) negligence, misuse, abuse, or circumstances beyond Country Stove's control, or (b) ordinary wear and tear, modification, alteration, or servicing by anyone other than Country Stove's or an authorized service technician. The Warranty also does not cover installation and operational related problems

such as over-firing, downdrafts, spillage caused by environmental conditions such as nearby buildings and hilltops, inadequate venting or ventilation, excessive offsets, negative air pressure caused by insufficient make up air, or mechanical systems such as furnaces, fans, clothes dryers, etc.

2. The Warranty is given only to the original consumer/purchaser. If the consumer/purchaser sells the stove or converter or gives it away, the Warranty ends. The Warranty applies only to products purchased after July, 1, 1996.

3. All installations must be performed by a qualified gas fitter, and in compliance with (a) the instructions contained in the "Gas Appliance Owner's Manual" provided with the product, and (b) local, state, or federal building or fire codes, and (c) any requirements of insurer's or boards of fire underwriters. It is the responsibility of the installer to ensure that the appliance is firing as per rating plate.

4. If the products includes venting manufactured by another manufacturer, then the venting is not covered under this Warranty and is instead covered by the warranty, if any, or the manufacturer.

5. THE WARRANTY IS IN LIEU OF ALL OTHER WRITTEN OR EXPRESS WARRANTIES. ANY IMPLIED WARRANTY, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, IS LIMITED IN COVERAGE AND DURATION TO THE TERMS OF THE EXPRESS WARRANTY. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LAST, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

6. COUNTRY STOVES' SOLE RESPONSIBILITY IS TO REPAIR OR REPLACE AS STATED HERIN, AND COUNTRY STOVES SHALL NOT BE LIABLE FOR ANY DAMAGES, INCLUDING PERSONAL INJURY, LOSS OF TIME, LOSS OF REVENUE, LOSS OF USE, DAMAGE TO YOUR HOME OR POSSESSIONS, INCONVENIENCE, OR ANY OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.
