

# COUNTRY MEDINA GAS INSERT

25,000 BTU HIGH EFFICIENCY DIRECT VENT GAS INSERT

*Black Traditional face with  
27"x 39" surround and black  
surround trim*

## **COUNTRY'S MEDINA DIRECT VENT GAS INSERT: FLEXIBILITY, EFFICIENCY, AND WARMTH**

Country's new Medina direct vent gas insert is the perfect combination of elegance and convenience. The Medina's small size makes it one of the most flexible fireplace inserts available, fitting into even the smallest zero-clearance factory built and masonry fireplaces. Yet, the Medina still provides the huge viewing area and realistic fire that you would expect from a much larger unit. With 25,000 BTU's, standard 155 CFM variable speed blower, and a burn that you have to see to believe – the Medina is sure to bring warmth and beauty to any home.

The Medina, like all of Country's products, is backed by our industry-leading Limited Lifetime Warranty. With the installation flexibility and simple elegance of this handcrafted heater, the Medina will bring a lifetime of warmth into any home.

  
**COUNTRY'S STOVES**  
A LIFETIME OF WARMTH

## **FEATURES:**

- Small size fits into even the smallest zero-clearance cans (17-1/2" Min. Fireplace Height)
- Random, dancing flames and realistic log set give the look of a real wood fire
- Heavy 14-gauge aluminized steel firebox construction (no sheet metal)
- Optional wireless remote control thermostat
- Millivolt thermopile allows insert to operate without power – still heats during a power outage
- Standard 155 cubic feet per minute variable speed blower
- With its simple, yet elegant, design the Medina complements any décor – from the farmhouse to the townhouse
- 84% Steady State Efficiency (efficiency varies slightly with different pipe configurations)

## COUNTRY'S COMMITMENT:

For the last 27 years, we have prided ourselves on creating the finest, hand-crafted stoves available. We've grown and changed over the years, but we haven't lost what made us successful to begin with - a commitment to providing you and your family a lifetime of warmth.

## LIMITED LIFETIME WARRANTY:

We are proud to stand behind our stoves and we prove it by offering a Limited Lifetime Warranty on all of our products. See your Country Stoves professional for more details.

If you are looking to heat a smaller area, or have a fireplace that is too small for larger inserts, the Medina is the perfect "fit" for your heating needs. The Medina will turn your small, inefficient fireplace into a cost-effective heat source, bringing warmth and coziness to your home.

The Medina is available exclusively with our black Traditional face, 27" x 39" surround, and black surround trim. Whether you have a contemporary décor or something more traditional, the Medina will both complement and enhance the beauty of your home.

## REMOTE THERMOSTAT

Adjust the comfort level of your room or home with a convenient hand-held remote option. Wall mounted thermostat control also available. Ask your dealer for details.
