

Patio Campfire™ – Enjoy a Campfire in your Backyard

PATIO CAMPFIRE...BRINGS THE FUN OF CAMPING TO ANY BACKYARD

The Patio Campfire lets you enjoy a traditional campfire right out your back door. Quick and easy because it uses clean burning gas—no more chopping and hauling firewood. The large log set and impressive flames create an instant campfire atmosphere, while the sleek, light design lends to its portability. The Patio Campfire also features unlimited design flexibility. Homeowners may choose from the optional Mesa or Rock Ring bases, or opt to create their own customized look by adding pavers, brick, rock or stone materials to an unfinished Fire Pit Builder Set or directly around the unit.
